Invest with us

SCG offers a diverse range of investment opportunities of varying scale and duration. These investment options encompass differing degrees of risk and return potential.

From the inception of site selection to the complexities of council approvals, the intricacies of construction, and the final stages of successful sales, allow us to guide you.

Borrow with us

SCG has a proven track record of offering funding solutions for developers across various asset classes, including land developments, commercial ventures, and industrial construction.

We collaborate closely with our developer partners to tailor finance solutions that align seamlessly with the unique requirements of each project.

At SCG, our roster comprises engaging with experts spanning all different sectors of the property business - real estate, development, finance, legal and fund management.
